JEKWU OZOEMENE

NATIONAL PRESIDENT FGCEOSA

"As your elected Executives, we hold these truths to be self-evident; that our shared experiences at Federal Government College Enugu (FGCE) connect all of us in a very special way, and that as the vagaries and pressures of life take hold (family, work, the economy), we tend to lose touch with those outside our immediate environment who we share this special bond with. Consequently, we firmly believe that a revitalized and vibrant FGCEOSA will ensure that this does not happen, by helping us to remain connected to those friends and to the vast resources available within and from our network."

"The primary objective of our association is to help our alumni and our alma mater by promoting close relations between the school and alumni, ensuring that programs are initiated and developed for the benefit of alumni and the school and to assist the school in its development and pursuit of academic excellence."

OUR PLEDGE

FGCEOSA 2021 AGM

- 1. CONSTITUTION** - Develop a fit for purpose governance framework (by overhauling the old constitution) around systems, processes, rule of law.
- 2. REPRESENTATION** – Make the alumni association more representative and reliant on systems rather than individuals.
- 3. ACCOUNTABILITY** - Enhanced governance structures, of holding ourselves accountable via scheduled frequency of audits and publishing the association’s accounts..
- 4. INTERVENTIONS** -To unite the various interventions in an effective, efficient and transparent manner and to deliver the Water Project and the Science Block Rehabilitation projects adopted at the FGCE 2018 “Back to Our Roots Reunion”.
- 5. DEVELOPMENT PLAN** - Consolidate a repository for all the interventions.

FINANCIAL AND INTERNAL CONTROL FRAMEWORK

2019

FGCEOSA now has a financial and internal control framework, guidelines designed to enhance financial accountability and transparency. The idea is to ensure appropriate accounting practice, internal controls and documents retention in order to minimize misunderstanding and protect the assets and viability of FGCEOSA.

The framework defines the frequency of financials reports preparation and distribution, annual budget preparation, presentation and approval, audit frequency and nature, payments, cheque signing authority, expenditure approvals, approvals for non-budgeted expenditure, travel expenses, contracts and purchase orders, revenue control, records and retention.

The detailed document was presented to the Consultative Congress.

2019 CONSTITUTION REVIEW

We now have a revised constitution that will future-proof our activities and enhance our governance structures. Though this took much longer than expected (mainly to address all issues raised after the first draft was circulated).

The final version has been ratified by both EXCO and the Consultative Congress (after circulation and debates across the sets) and is presented to this AGM for adoption.

Our new constitution is key to how we will progress into the future as it defines how we will operate as an association as well as collaborate with others going forward.

2019 SPEECH AND PRIZE GIVING DAY

For the first time, FGCEOSA had a standard operating procedure for reaching out to alumni that endowed prizes, managing the entire processes from collation, production of plaques, and presentation of the alumni endowed prizes at the school's Speech and Prize giving Day, a process that has traditionally been managed by FGCE Project Hope.

At the 2019 Speech and Prize Giving Day, on behalf of FGCEOSA, our EXCO managed a total alumni endowment of N1,371,000 to 76 deserving recipients, of which N567,000 was the cost of the plaques at N7,000 each, N764,000 was for the cash prizes, N50,000 camera and video coverage, N15,000 cost of transporting the plaques and N23,075 bank charges.

As part of encouraging a saving culture and building financial inclusion, rather than handing out physical cash, the cash prizes were given to the recipients in the form of bank drafts and officials of our banker (Ecobank) were at hand to open accounts for all the student recipients.

2019 REPRESENTATION - CONSULTATIVE CONGRESS

FGCEOSA now has a Consultative Congress (hosted in a WhatsApp group) comprising all Set presidents / Reps, a President of the recognized State Chapters, a President of one of our Alumni bodies in diaspora (North Americas or the UK for now) or a member of the FGCEOSA National EXCO.

The Consultative Congress was created to afford the FGCEOSA EXCO a 360-degree view and feedback (devoid of the unavoidable chatter on other platforms) on what is happening across every Set and jurisdiction that the school has representation.

2019 REGISTRATION

We had received approval at the CAC to register our alumni association only to discover that there was an existing registration from 1996 however no regulatory filings had been made since inception.

Sequel to our seeking to confirm the status of the old registration from CAC, the new name approval we received was cancelled leaving us with no other option than to revalidate the existing name, file our accounts since 1996 and pay all outstanding fees plus late payment penalties.

That process has since been initiated, however we have spent the last 8 months or more trying to get copies of the registration documents at CAC to enable us update our records to no avail.

The outgoing EXCO will handover the process to the incoming EXCO as this is something we must conclude.

2019 KAISER FOUNDATION STEM CONSTRUCTION SUMMER CAMP.

Working with the Kaiser Foundation for Social Development, FGCE's best science students from SS2, SS1 and JS3 were in Lagos for an all-expense paid STEM Construction Summer Camp, an intensive one-week programme covering; safety, architecture, building, land surveying, presentation on procurement and logistics, etiquette training for teenagers, design thinking, Rubik cube activity, Lego activity, quality control, civil engineering, career guidance, mentorship, life in college as an engineering major, project management, leadership, sustainability in construction, marshmallow and spaghetti tower challenge, topped with visits to Lafarge yard, visits to JK Randle, visits to select Ikoyi construction sites and Construction Kaiser's Lagos head office.

ACTIVITIES

THE 2020 15TH FEDERAL GOVERNMENT COLLEGE GAMES

EXCO was at the 15th Federal Government College Games which held at the Yakubu Gowon Stadium (in Elekahia, Port Harcourt) to support our school.

Of the 104 Unity Schools present, FGCE finished in the Overall Third position (joint third position with Federal Government College Nise) winning a total of 5 medals; 1 Gold, 3 Silver and 1 Bronze;

- 1 Gold medal in the 4 x 400 male.
- 1 Silver medal in the Long Jump male.
- 1 Silver medal in the 100 metres male.
- 1 Silver medal in the 4 x 100 metres male, and
- 1 Bronze medal in Scrabble male.

WELCOME NEW PRINCIPAL

EXCO was at FGCE to officially welcome the new Principal Mr. Raji Muritala Adewale, meet with the PTA Chairman Mr. Chima Nwodo, as well as inspect ongoing alumni projects.

SET INTERVENTIONS AND REMEDIAL WORKS

- Set of 1982 renovated the school's Intro Tech Workshop at a cost of N13 Million.
- Set of 1993 refurbished and Upgraded the Schools Sickbay at a cost of N5.5 Million.
- Set of 1999 built a new bathroom behind the boy's hostel at a cost of N5.5 Million.
- Set of 2001 refurbished the statue in front of the Students Centre and provided some medical and electrical equipment at the cost of N402,600.00.
- The FGCEOSA as well as Set of 1982 and Set of 1984's project contractors have carried out infrastructure remedial works on the Alumni Office located in the school's admin block.

We will like to thank all the Sets and Alumni associations (not mentioned here) that have stepped forward to undertake interventions in the past.
